# The Regional Stormwater Permit

## Friday, February 22, 2013

### 12:00-1:30pm

A new Regional Stormwater NPDES Permit (Regional MS4 Permit) is being developed by the San Diego Water Board for municipal Copermittees in San Diego County. Come hear *Christine Sloan* and *Jo Ann Weber* of the County of San Diego and *Scott Taylor* of RBF Consulting speak on the potential impacts to development, anticipated changes to water quality monitoring, and new initiatives that will occur in the San Diego region as a result of the Regional MS4 Permit. The proposed Regional MS4 Permit affects commercial, industrial, residential, mixed-use, and public development projects, and includes new requirements for retention and Hydromodification management Plans. Join SDAPA to learn about the regional effects of the proposed Regional MS4 Permit.

**Lunch will be provided! AICP CM Credits: 1.5**

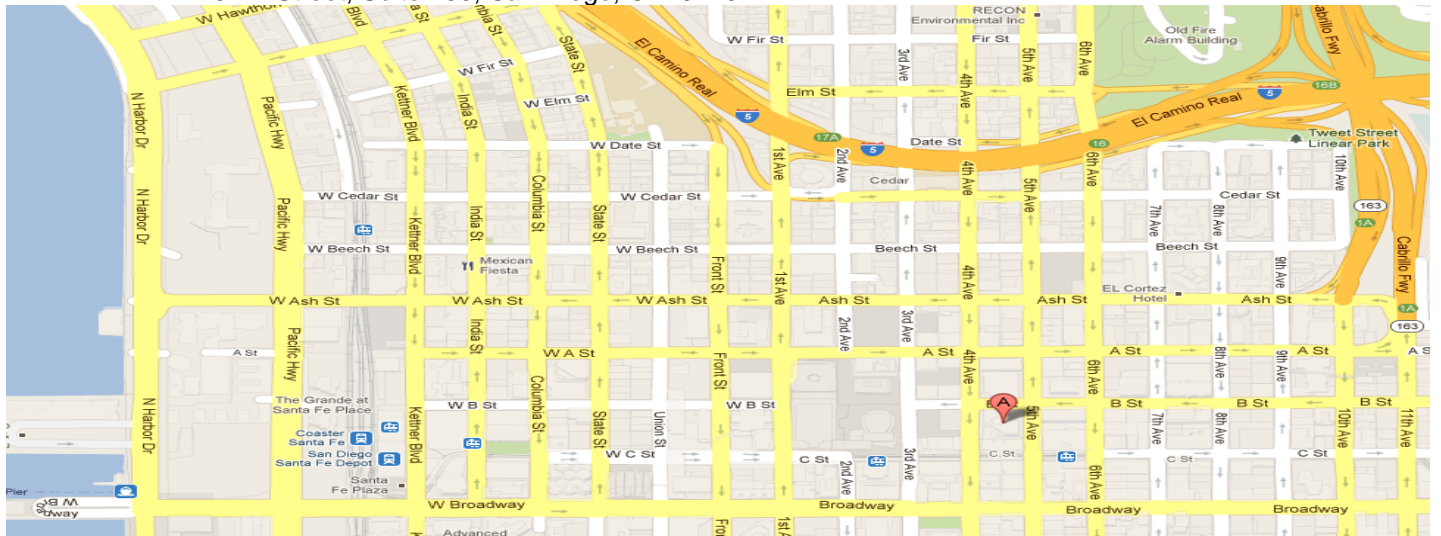

**Speakers:**

**Christine A. Sloan, CPESC, QSD** – Christine is the Program Coordinator for County of San Diego’s Watershed Protection Program, Development and Construction group and Chair of the San Diego Copermittee’s Land Development Workgroup.

**Jo Ann Weber** – Jo Ann is the Program Coordinator for the County of San Diego’s Watershed Planning Program and co-chair of the San Diego Copermittees’ Regional Monitoring Workgroup.

**Scott Taylor, P.E., D.WRE** – Scott is a national leader in hydrology and stormwater management and is responsible for managing the \$4.5 million County and Copermittee MS4 Permit implementation program. Scott is a Senior Vice President of RBF Consulting and manager of the Carlsbad office.
