## **WHAT'S ON THE AGENDA?**

The AICP exam training roundtable provides an informal opportunity for those planning to taking the exam to gain some insight from AICP members who recently passed in May. You can expect to receive an overview of items such as study tips, pointers, experiences, exam materials and sample questions, as well as information regarding hot topics and essential "things to study". There will also be an opportunity to ask those nagging questions that may have come up during your study sessions.
