## Holiday Party Sponsorship

The AEP & APA Holiday Party represents an excellent way for your company to reach a targeted audience of members and friends of the Association of Environmental Professionals and the American Planning Association.

A variety of sponsorship levels are available; in addition, sponsorships can be tied to party elements, such as: drink tickets, desserts, raffle prizes, and so on.

Sponsorship benefits include brand recognition via e-mails, SD APA and AEP websites, and a looping slideshow and other marketing at the event.

### Sponsorship Levels

- \$500 – includes 3 free tickets**
- \$250 – includes 2 free tickets**
